CANVAS SEAT COVERS

Introducing Ironman 4x4's range of Canvas Tailor Made Seat Covers.

Each seat cover has been specifically designed to suit your specific vehicle type.

These seat covers are made from 12oz canvas, but Ironman 4x4 have also added an extra sandwich layer of foam for your comfort, it also protects your seat and acts as a non-slip base.

With side airbags now being incorporated in most new vehicle seats, Ironman 4x4 seat covers have a special approved and tested seam built into the side of the cover. Each seat is individually bar coded.

These seat covers are resistant to water and mud, fire retardant, have built in rear pocket storage and are extremely comfortable to sit in.

Ironman 4x4 seat covers are available now from your local Ironman 4x4 distributor for the following range of vehicles:
